Computer Programmes 2019

All Senior classes will be using the **Hapara** computer programme as part of their in-class learning programme and the subscription of \$4.95 has been added to their classroom stationery list.

With the exception of our reception room & Y1 classrooms (16,17,18) our school will also be using **Mathletics**, **Reading Eggs** and **Spellodrome** as an important extra resource to support our in-class teaching and learning programmes.
