[Read Theory x3 articles](#)

Writing

[Kiwi Kids News Daily](#)

Maths

Using a deck of cards, pull out cards to create two, three or four digit numbers to add together. Add these two numbers together.

Eg: 9 6 1 and 2 6 3.

$$169 + 362 = 531$$

Physical Education

Practice your catching by throwing a ball with a family member. How many times can you keep it up without dropping it?

[Family Jump Jam](#)

Art

Anzac Day art project - use an idea from [here](#) or find your own.

Stem Challenges

Use materials from home to make a musical instrument to perform a show for your family

Mindfulness

Make a healthy snack or lunch by yourself! Share it with your family

General

Choose an activity of your choice
