(if needed)

[Read Theory x3 articles](#)

**Writing**

[Why should people visit](#)

Create a slide and persuade your reader why they should visit - include some pictures to help as well

[Persuasive Writing Helper Slides](#)

**Maths**

[e-ako Maths](#) -Choose e-ako G3.10 (the first yellow button on the third row) Go through pages 1-9

[Tricky Triangles](#)

Year 6 - if you find this easy then select the year 6 number knowledge and geometry and follow day 1

**Physical Education**

[Plank Challenge](#)

Can you hold a plank for longer than Mrs Jones?

How about extending it to this challenge? [Spider Challenge](#)

Remember you **MUST** be logged into [your Valley School account](#) to access the links and Google Drive

**Stem Challenges/Inquiry – Space**

[Exploring Our Solar System](#)

**Mindfulness**

Call/ talk to one of your friends. While you are talking to them make sure you are an active listener and really pay attention to what they are saying. Compliment them and tell them 3 or more things you like about them and why you like being their friend.

**Watch–Talk–Do**

**Why the Metric System Matter**
