

The team at Kelly Club love being part of the Valley School community. We operate out of the school hall and room 23 (the room at the end of the hall).

### **Before School Care – 7:00am-8:30am**

Our before school programme offers children the opportunity to ease into their day, choosing between activities that suit their energy levels, whether it be colouring, board games, lego, reading, using free play equipment or engaging in an active game with a coach. Breakfast is included each morning.

### **After School Care – 3:00pm-4:30pm or 3:00pm-6:00pm**

Our fun after school programme is focussed around sports, cooking and art & craft activities, as well as structured free time. These are based around a weekly theme with a different activity each day. Children are welcome to suggest their own ideas too! Afternoon tea is included in all sessions and children staying for the 6:00pm session will also enjoy a small snack.

### **Holiday Programme – Sessions available between 7:30am and 5:30pm**

Our holiday programme is active, fun and device free! Each day is packed with variety and designed to entertain, inspire and create opportunities for your child to shine.
